

The Yorker Twist Open/Close Dispensing Caps are designed and manufactured to the same high standards that have established the Yorker name worldwide. Twist caps seal and dispense a variety of products people use everyday – everything from personal grooming to crafts. Hard working and versatile, they're part of the Yorker Closure line that includes spout caps, ribbon applicators and custom engineered closures, all made with outstanding precision and consistency. No wonder closures by Yorker have been the industry's top choice since 1948.

Yorker Closures are the popular choice for many top brands worldwide:
